Dry hire bookings at our Houses

When you book a Harper Wedding, you are not only booking the House, but you are also booking the expertise and service of our experienced wedding planners, hosts and chefs. From the big picture to the tiniest detail, we take care of it all, supporting you in planning your day to perfection.

Sometimes though, cultural traditions might mean it's just the House you're looking for as you may wish to have your own event planners and caterers. If this is you then we'd be delighted to discuss a dry-hire booking at any of our wedding venues.
